

# TEST REPORT

## IT\_CASE 1 : CHECK\_LOGIN (Scrum master successful login)

```
subhashini@INLEN6239004785: ~/Scrum_Sprint_Management-main/Scrum_Sprint_M
subhashini@INLEN6239004785:~/Scrum_Sprint_Management-main/Scrum_

-----
---      Welcome to Scrum Process Management      ---
-----

1 to Login as Scrum Master:
2 to Login as Team Member:
0 to Exit:
1

Enter Scrum Master ID:99999

Enter Password:pass000

Logged in as Scrum Master!

1. Print Report:
2. Add New User Story:
3. Add New Task:
```

## IT\_CASE 2 : CHECK\_LOGIN (Scrum master unsuccessful login)

```
aishwaryan@inlen6239004810:~/git_hub_workspace/Scrum_Process_Management-main/

-----
---      Welcome to Scrum Process Management      ---
-----

1 to Login as Scrum Master:
2 to Login as Team Member:
0 to Exit:
1

Enter Scrum Master ID:45678

Enter Password:PASSWORD

Either userid or password is incorrect!

1 to Login as Scrum Master:
2 to Login as Team Member:
0 to Exit:
```

### IT\_CASE 3 : CHECK\_LOGIN (Team member successful login)

```
subhashini@INLEN6239004785: ~/Scrum_Sprint_Management-main/Scrum_Sprint_Management-main
-----
---      Welcome to Scrum Process Management      ---
-----

1 to Login as Scrum Master:
2 to Login as Team Member:
0 to Exit:
2

Enter Team member ID:11111

Enter User Password:mypass

Logged in as team Member!

1. print My Assigned Tasks:
2. Update Task:
0. Exit:
_
```

### IT\_CASE 4 : CHECK\_LOGIN (Team member unsuccessful login)

```
aishwaryar@inlen6239004810: ~/git_hub_workspace/Scrum_Process_Management-main
aishwaryar@inlen6239004810:~/git_hub_workspace/Scrum_Process_Manag
-----
---      Welcome to Scrum Process Management      ---
-----

1 to Login as Scrum Master:
2 to Login as Team Member:
0 to Exit:
2

Enter Team member ID:TEAM_MEMBER

Enter User Password:
Either Team member id or password is incorrect!

1 to Login as Scrum Master:
2 to Login as Team Member:
0 to Exit:
_
```

## IT\_CASE 5 : Print Scrum master Reports

 aishwaryar@inlen6239004810: ~/git\_hub\_workspace/Scrum\_Process\_Management-main/Scrum\_Sprint\_Management-main/CUT/Co

Enter Scrum Master ID:99999

Enter Password:pass000

Logged in as Scrum Master!

1. Print Report:

2. Add New User Story:

3. Add New Task:

1

-----Scrum Master Report-----

| Report ID: | Completion Status: | Report Name:            | Comment:                |
|------------|--------------------|-------------------------|-------------------------|
| 12         | 50.000000          | This-is-name-of-Feature | This-is-desc-of-Feature |

-----END of Report-----
